## *So who am I?*

My name is **Martin Duxbury**. I spend hours on the telephone to people all over the world who are seeking help. I am English, and have worked for many years as an internationally acclaimed **Psychic, Clairvoyant, Healer and Life Coach**. I currently live in Denmark.

**I have qualifications in:-** Human Biology, **Psycho-therapy**, Hypnotherapy, **Healing**, Mediumship, **Anatomy**, Pharmacology and Touch for Health (Kinesiology) and Sound Healing. I am a life member of the **Spiritualist Association** of Great Britain (S.A.G.B.). I also **teach workshops** for individuals and other therapists.

## *Telephone Sessions include:*

### *Therapy / Life Coaching*

I combine my skills, to help you work on your life issues, in a way that takes full account of **your individuality and current circumstances**.

*The answers you seek are available - just ask!*

### *Body Sensing*

I identify **specific places** in your body, where there is an **imbalance** or illness. I **provide advice** to help you.

### *Sensing Situations*

I "feel" and describe **where a situation is going**, and suggest possible actions to take. I **answer any questions** you may have.

*The help you need is there - just reach for it!*

### *Soul Reading*

I tune in to your **true essence**, I share insights into **your life's purpose**, identifying **your natural talents**.

*Therapy from your own home -  
In your own time - when you need it the most!*
